Enclosed you will find an entry form and label sheet. Adam's Art Gallery would like for your work to be installed in an efficient and careful manner, and the entry form, membership application (if needed) and label sheet will help us to do so. Your work is very precious to us!

Please complete the entry form and if you are NOT already a member, the membership application and return them to the gallery in person Friday's 4-7 or Saturdays 12-4, or by mail before the first drop off date of August 27th. There will be additional entry forms and membership applications available in pdf format for download at www.adamsart.org. Please detach the labels and secure them to the artwork you submit. Also, please type out an artist statement pertaining only to the work submitted on an 8 1/2 X 11 sheet of white stationary.

It is the hope of the Adam's Art Gallery to see all of the artists at the opening so you may speak to members of the community about your work. We are very proud to exhibit your work, and happy to have such talented artists in our membership.

Sincerely,
The Adam's Art Gallery Board
